

Did you **know?**

20% of patients pay more than \$150 out-of-pocket for Spiriva, even when insurance “covers” the drug.

*comparing ScriptHero’s Pharma Direct price to insurance prices from transaction data at pharmacies across the country.

SPIRIVA RESPIMAT®
(tiotropium bromide)
2.5 MCG

A reliable price option for Spiriva Respimat

The ScriptHero discount card is a feature of ScriptHero that directly connects your patients with the makers of the medications they need. This direct connection allows them to get a lower cash price for the brand-name drugs you trust.

\$150

\$456+ retail **Save 67%**

Available for 1.25 and 2.5 MCG
